QUALITY

Being a customer focused company, we are striving to accomplish each & every expectation of our associated clients. We have never compromised with the quality in any of the situation & we pledge to retain this as framed by our founders. Our nature of work is widely appreciable due to our various customer approaches, timely delivery promise & availability of products at market leading prices.

WHY CHOOSE US

We precisely leave no stone unturned in maintaining quality in the manufacturing process. Our manufactured machines undergoes via strict tests on various defined parameters of the industry. Our quality team ensures only high performance products roll out from the unit. Moreover, we are the leading importer & exporter of used offset printing machinery & graphic equipments. We have our associated clients in the reputed countries like sri lanka, pakistan, nepal, south africa, united arab emirates, nigeria, bangladesh, and middle east & still tapping the world.

N95 FACE MASK

**N95
WITH FILTER
RESPIRATOR
FACE MASK**

N95 face mask & N95 with filter respirator face mask is a protective device designed to achieve the perfect facial fit and efficient filtration of airborne particles. The 'N95' designation means that when subjected to careful testing, the respirator blocks at least 95 percent of very small (0.3 micron) test particles. The dynamic edges of the respirator are ergonomically designed to form a durable yet comfortable seal around the nose and mouth. Our computer aided design stimulates in producing a technically premium product.
